

Crafted sound. Seamless continuity.

Take the TV experience to a different level with Beosound Stage, a beautifully crafted soundbar that sounds as good as it looks. Bringing rich and powerful Bang & Olufsen sound to all your TV viewing, Beosound Stage enhances viewing pleasure with a combination of the latest in audio technology and seamless design - as well as being powerful enough to avoid the need for a separate subwoofer. And with flexible placement options, it blends in and stands out beautifully with your interior décor.
